Lulu came to the shelter emaciated, she was housed in a filthy living space, left alone, no food and no human touch. Because of this mistreatment by her owner, Lulu does not care for men and has trust issues. Needless to say, she is a very special case. Lulu does love her care giver and one of our cruelty investigators. Lulu is beginning to trust again! It may sound unusual, but Lulu loves being at the shelter with staff and volunteers who care for her and love her.

Please find it in your heart to donate to Lulu's Condo, so Lulu's legacy can live on for those animals who shared the similar treatment as Lulu. Animals will experience the love, compassion and home they so deserve.

Lulu's wish is that "NO" animal should suffer abuse from any human as she did.

Sincerely,

*(EACH PARTICIPANT MUST HAVE THEIR OWN PLEDGE SHEET)*
